

# T&L SOLUTIONS, LLC

## MISSION STATEMENT:

Construction plays a major role in the lives of every individual in the world. It is our goal to make positive contributions to improving the quality of life now and for future generations.

## HISTORY:

With over 40 years experience in the construction industry, we formed T&L Solutions, LLC, to offer the advantage of our experience to companies that were struggling, or simply wanting to expand.

We also work with project owners in locating competent and qualified contractors to fit their projects' specific needs. We have long standing relationships with qualified contractors in many areas of industrial construction.
